Subject _____ Name & # _____

Homeroom _____ Date _____

Q & A Flap Board (Foam Board) Requirements

- Title your Q & A flap board with the topic that your group researched (e.g., Holidays).

- Make 5 flaps made out of construction paper (one for each focus question).

- Type each focus question, along with the first name of the person who researched it. The focus questions should be single-spaced, and in a font that is large enough to read from a couple of feet away. Neatly glue one focus question to the outside of each flap.

- Glue each focus question answer page underneath the correct flap. **Do not include a title on the focus question answer page since it is already on the flap.**

- Glue the completed flaps to your Q & A flap board.

- Decorate the rest of the Q & A flap board with pictures, diagrams, illustrations, and symbols that are related to your group's topic. Be creative!

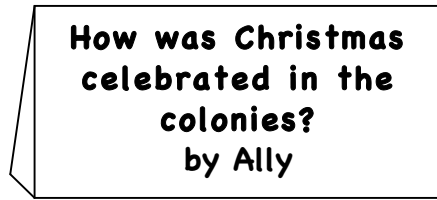

- Sample Flap Board Layout:

> ***Your Q & A flap board does not have to be arranged in exactly the same way, but it must follow all of the requirements!***

Subject _____   Name & # _____

Homeroom _____   Date _____

- <u>Example- **OUTSIDE** of Flap:</u>

> **How was Christmas celebrated in the colonies?**
> **by Ally**

Type the focus question and the first name of the person who researched it

- <u>Example- **INSIDE** of Flap:</u>

Neatly glue the focus question answer page underneath the flap. <u>Make sure to delete the title, since this is already written on the outside of the flap.</u>

<u>Planning Sheet: Q & A FLAP BOARD</u>

Work with your group to draw a sketch of what your Q & A flap board will look like. Where will each focus question go? Which pictures, diagrams, illustrations, or symbols will you include?
